Certifying (up to 20 weeks per year)

Following the date(s) included in the State’s
Instructions, YOU MUST **CERTIFY** to receive
Unemployment Benefits.

Certifying using MiWAM is the quickest way to
receive your State Benefits:

Use MiWAM by going to:

www.michigan.gov/uia

Click on the **MiWAM logo** to
access your MiWAM account.

When certifying you will be asked a series of
questions about the week(s) you are claiming.
The weeks the State asks about will vary. Your
FCA pay stub lists **Benefit Period** start and end
dates.

Note: this is a single example from an FCA pay stub.

Benefit Period: February 11, 2019 - February 17, 2019

In General the State will ask about a benefit
period beginning on a Sunday and ending on a
Saturday. In the above example, if you had
earnings from 02/11/2019 – 02/17/2019, you
would report those earnings in your State claim
in benefit period 02/10/2019 - 02/16/2019.

Note: if you did not work you may not have a
pay stub. Holiday Pay counts as earnings.

Important Things About Certifying

Earnings and pay are not limited to your FCA
work earnings and are from **any** employer.
When asked about pay or earnings for the time
period, report your **Gross** earnings. Look in the
Earnings section at the Total line. In this
example it is \$489.80

If you have pay
for the period
answer “yes”.
Your Monetary
Determination

| Earnings | Hours | Amount |
|---------------|--------|-----------------|
| Actual Pay ? | 28.000 | \$486.48 |
| Shift Premium | | \$23.32 |
| Holiday Pay | | |
| Total | | \$489.80 |

will be used to calculate your State benefit. The
more you earn in the benefit week, the less
your State benefit will be.

- If you have zero hours worked you may not
find a stub in ePay.
- You have 20 weeks of State benefit in a
year.

Caution: If you have earnings and you answer
NO you will collect full benefits you are not
entitled to. You may be called to the
Employment Office for discipline
up to and including **termination**.

Claim please call **1-866 500-0017** for Help
